## THE STORY:

Once upon a time in a faraway kingdom, lived an angry and selfish witch named OGE. She's very jealous of her beautiful sister, the Goddess Joy, that attracted everybody's attention and filled the world with laughter, pleasure, and creativity. Oge decided to put a magic spell on all mirrors in every house in the kingdom so that every woman on the planet, looking at their reflection, would forget about Joy and only see the witch Oge staring back at its ugly face. And the goddess left the hearts of women, and the dark abyss spread its wings all over the Earth, and the world lost its soul. Only you can save this planet from chaos. Face the enemy, find its real name, and break the curse! Be brave and drop your fears, doubts, and defenses. Open your heart and let Joy back into every woman's soul.
