

LOGLINE :

The soul healer's journey is about to take a turn for the worst when an unforeseen dark omen lurks around and is coming for her.

SYNOPSIS :

One of Raven Zamora's abilities is to heal sinners and weakened souls. She can also feel people's energy, foresee danger, and predicts the future. Raven came from a long line of soul healers and is the last one of her kind. But helping her patients transition to the afterlife is her strong suit.

Little did Raven know that an unexpected call soon changed her life. Meeting the devil in sheep's clothes made the healer powerless. And the unforeseen dark force that is unfolding will haunt her. Will Raven escape from the predicament she's in? And will her power return in time of need?
